About Us

Orbital Africa Limited is a premier Information and Communications Technology (ICT) procurement and hardware supply specialist. Founded in 2025, we bridge the gap between global technology manufacturers and local businesses, delivering robust, scalable, and high-quality IT infrastructure. We don't just sell boxes; we source tech solutions that drive business efficiency.

Our Strategic Intent

Vision Statement

To be the most trusted and customer-centric ICT equipment supplier in the region, recognized for swift delivery, genuine warranties, and tech expertise.

Mission Statement

To empower organizations by supplying cutting-edge, authentic, and cost-effective hardware infrastructure that minimizes downtime and fuels corporate growth.

Core Values

Authenticity: We supply 100% genuine products sourced directly from authorized manufacturers.

Agility: Fast turnaround times from quotation to delivery.

Reliability: Keeping your business running smoothly with dedicated after-sales warranty support.

Client-Centricity: Tailoring product recommendations to your exact budget and scaling needs.
